It is essential all students arrive to school at the correct time, using their allocated entrance point. **Due to the current COVID19 restrictions, students will not be allowed onsite before their designated start time.**

Please be aware there has been a slight temporary amendment to the school day with an earlier finish time and changes to the lunch break arrangements (please see above timings). In accordance with the DfE guidance it is essential that we keep students in their year group bubbles at all times. Therefore, students will enter and exit the school via different gates and be kept separate during break and lunch times.

Further details will be sent out next week regarding the full re-opening of the school. If you have any queries regarding the above, please do not hesitate to contact the school.

Yours faithfully,
