

3rd July 2020

Dear Parent/Carer,

**Year 11**

I hope this finds you and your family well.

In light of the current government guidance around social distancing and large gatherings, it is with great regret and sadness that we have had to alter our usual Results' Day procedures.

In order that each Year 11 has the very best opportunity to enrol on their chosen post-16 pathway, we have decided to email their results at 8am on Thursday 20th August. This is the earliest time that the results can be released to candidates. Please can you provide the best email address for your son/daughter to receive their grades, to [examresults2020@brittons.havering.sch.uk](mailto:examresults2020@brittons.havering.sch.uk) by Friday 10th July, so that we can set up the new system and trial it prior to the actual day. In your email, please state clearly the student's name and the email address we should send the results to. We will also post them first class on the 20th, so please also let us know of any change of addresses.

On the Thursday 20th and Friday 21st, students will also be able to book individual socially distanced meetings with members of our Senior Leadership Team to help with exploring options for the next stage in their journeys. These can be booked via the email address above or school reception on 01708-630002. Of course, we will include all these details again in the email and postal packs.

Of course, as we learn more about the autumn exam series for your son/daughter, I will update you. The latest guidance is that all current Year 11s will be offered the opportunity to sit the full range of subjects in November.

I feel so sorry for our Year 11s, as this is another opportunity to celebrate with the friends and staff they have worked so closely with over the past five years which has been denied them. Unfortunately, conventional results' days are not allowed and like many schools I have been in contact with, this seems the best and fairest way for the students to get their grades the minute they are allowed to, so that they have the best opportunity of getting onto the course of their choice.

Thank you for your continued support and understanding at this very difficult time.

Best wishes.

Yours sincerely,

**MR. W. THOMPSON**  
Principal
