

Welcome

Having Colleges are now proud to be part of the New City College (NCC) group, which has the second largest post-16 course offer in the UK.

With this in mind, we believe that there is something for everyone at one of our three campuses - Ardleigh Green, the Sixth Form or Rainham.

Please take some time to read through our 'virtual transfer pack' which we hope will answer any questions you may have about your child joining us when they leave school.

Click the link below to meet our principal Paul Wakeling.

The Havering Guarantee

As your child is a student at a Havering school they are guaranteed an interview at one of our campuses.

The conditions of this guarantee are as follows:

- Applicants must apply by our deadline of 31st January
- Applicants must meet the entry requirements of their chosen course (Applicants will be given advice on alternative pathways with the Havering Colleges if they do not meet these)

Choosing Qualifications

When your child leaves school they will continue to study at a suitable level for their ability based on the qualifications they have already achieved.

If they have gained five or more GCSEs at grades 4-9, they will progress to study at Level 3 (A Levels or BTEC Level 3).

However, we also have courses at Entry Level, Level 1 and Level 2 to cater for every student. Please see the breakdown of qualifications and their entry requirements below.

CHOOSING QUALIFICATIONS

**A minimum of 4/5 GCSEs
at grades 9 – 4**

LEVEL 3
A Levels
BTEC Level 3
Advanced Apprenticeships

GCSEs: mainly at grade 3

LEVEL 2
GCSEs - including English & Maths
BTEC Level 2
Intermediate Apprenticeships

GCSEs: mainly at grades 2 – 1

LEVEL 1
BTEC Level 1
NVQ Level 1
Functional Skills

**Satisfactory interview &
good school reference**

FOUNDATION LEARNING
Entry Level

So, what is life like at Havering Colleges?

Excellent Progression

We pride ourselves on the support we offer our learners to ensure they progress to top universities, high level apprenticeships and the world of work.

See below two success stories from Havering Colleges.

MATTHEW TURNPENNY

Matthew studied the Level 2 BTEC and Level 3 Apprenticeship in Engineering, working on the Crossrail project while he also attended college. He is now employed as a Project Engineer on behalf of Costain for the Ministry of Defence.

His Engineering tutor said:

“Matthew has worked his way up from starting at our Saturday Engineering Club as a schoolboy six years ago, to being a Project Manager at one of the most respected companies in the engineering sector.”

AAIZA ARSHAD

Aaiza studied Level 3 Fashion and is one of the youngest ever designers to have displayed her creations on the catwalk at London Fashion Week.

She progressed to study Fashion & Textiles at Ravensbourne University, and said:

“College is not just about the qualifications you achieve, it is about building your confidence and self-esteem. The course made me realise my own potential as a designer.”

Thank you for taking the time to view our virtual pack

For more information, check out our website www.havering.ac.uk where you can view our varied course offer and find out details of our Open Events.

If you have any questions or concerns please do not hesitate to contact our friendly team at: Schools_HFE@ncclondon.ac.uk

Our College Guides will be available from your school, or you can also download copies from our website [here](#)

The local choice • Specialist teaching • Wide range of courses
High levels of support • Excellent facilities • Excellent destinations
