

26th November 2020

Dear Parent/Carer,

I hope you are well.

I am writing to make you aware of the **Winter Walk through** initiative that will be taking place between 30th November and 17th December; this is specifically aimed at Year 11 students and has been designed to provide a guided approach to the preparation for the Mock Examinations which begin on Monday 18th January 2021. Teachers from across the curriculum will 'walk through' a modified exam paper with students with the aim of indicating how to attempt different types of exam question with a focus on the structuring and modelling of answers, timings and medium-specific terminology – this will, of course, be subject specific. Student Voice gathered during this term indicates that the above areas require further support and development, hence why we will be adopting this approach.

For your information, please find a timetable included with this letter which indicates the specific dates that individual subjects will be running their Winter Walk through. It is important to note that certain subjects **are not included** in this initiative owing to their focus being on the completion of the Non-Examination Assessments at this time.

I will be writing to you again just prior to the Christmas break regarding the Year 11 Revision packs and the advice for completion.

Should you require any further information on the above, please do not hesitate to contact me via email searsd@brittons.havering.sch.uk

Yours faithfully

MR D SEARS
ASSISTANT PRINCIPAL – YEAR 11

Winter Walkthrough Timetable – Year 11

Monday 30th November – 17th December 2020

Please see below the schedule for the Winter Walkthrough taking place between Monday 30th November and Thursday 17th December. The following subjects will not be undertaking a Winter Walkthrough owing to a focus on their NEA (Coursework) completion at the scheduled time:

- Resistant Materials
- Food Technology
- Construction
- Child Development
 - Art

At the times where there are no Winter Walkthrough's taking place, these are shaded in **yellow**.
