

15th December 2020

Dear Parent/Carer,

I hope that this letter finds you well.

As you are aware, Year 11 will be completing Mock Examinations in January. During this half term, certain departments will be undertaking targeted intervention in an effort to further support students in preparation for both these and the summer exams; this will be labelled as **Intervention Block B** and begins on **Tuesday 5th January** and will run until **Friday 12th February**.

Subsequently, there will be further opportunities for your son/daughter to attend scheduled interventions later this term; I will write to you again regarding the arrangements. You will find included with this letter the scheduled timetable for this half term; please study this carefully. In the event that your son/daughter is required to attend a specific intervention, you will receive further correspondence from the respective Head of Department for that subject – this will clearly outline the following:

- **The scheduled dates for the intervention**
- **The rationale behind this intervention**
- **The location and the time this intervention is scheduled**

The majority of these planned interventions will take place after school between 3pm and 4pm, however, in some instances these will be delivered during Form time or before school.

I would be very grateful for your support in ensuring that your son/daughter attends any intervention session they are invited to; ultimately this is designed to further prepare them for their final examinations and enhance their chances of success.

Should you wish to discuss this further, please do not hesitate to contact me via email searsd@brittons.havering.sch.uk

Yours faithfully,

MR D SEARS
ASSISTANT PRINCIPAL – YEAR 11

Block B: 5th January – 12th February 2021 (6 weeks)
