

12<sup>th</sup> February 2021

Dear Parents/Carers,

Thank you for all your support this half term and all the positive feedback about Teams and the live lessons. When you think back to the first lockdown in March and what we were able to provide then and what we can now, it is infinitely better. That said we really do appreciate that it has been hard in many households with; shared devices, intermittent wi-fi, the difficulty in maintaining motivation and concentration, the difficulty of balancing your own jobs/lives and home schooling and would like to thank you for all your efforts.

We know the government are due to make an announcement on Monday 22<sup>nd</sup> February about what schools will be able to offer from the 8<sup>th</sup> of March. While I think a full reopening is unlikely, I really hope we are able to welcome some students back to school and greater normality. We all hope, that as schools progress to being fully open, that this will be the last lockdown we have to experience.

Finally, I would like to thank you again for your support and wish you all a happy, restful and above all healthy half term.

Take care.

Best wishes,

**MR. W. THOMPSON**  
**Principal**
