

2nd March 2021

Dear Parent / Carer

I hope this letter finds you well.

I am writing to make you aware that we are currently in the process of developing a new approach to the Academy's PRIDE initiative which will replace the existing framework. This process will involve all stakeholders including parents and students; we value both your contribution and support in helping the Academy to continue to move forward. Our School Vision aims to equip all students with the skills and attributes that will afford them every opportunity to be successful in their next steps and beyond; PRIDE will support this ethos.

Each aspect of PRIDE will be revived and explicitly embedded into all aspects of school life. You will find a link below to a Google form which aims to gather your views on what each letter of PRIDE should stand for. I would be very grateful if you could discuss and complete this form as a family and submit by **Friday 5th March** – the results will be compiled and shared with you after this date. Once decided, a vision statement for each aspect of PRIDE will be developed which encompasses all aspects of school life and identifies the clear and explicit expectations that we have of our students.

Thank you for your support. Should you wish to discuss this further, please do not hesitate to contact me via email dsears@elatschools.co.uk

Yours faithfully
