Dear Parent or Carer,

Thank you to everyone who has already completed the online consent form to enable us to provide a COVID test for our students before they return to school. This will undoubtedly help us to return to school in the safest way possible. If you have not yet completed the form but would like your child to take part in the testing programme, you can still complete it using the link here:

We are now in a position to be able to confirm the times that students should attend school for their first test, please see the details below. Students should enter the school through the main entrance. **Please make sure that your child does not attend school for a test if you have not completed the consent form as we will not be able to take your consent over the phone on the day.** The time it takes students to go through the testing process may vary but we estimate that it will take between 30 and 45 minutes depending on how busy we are. Students will be allowed to leave straight after they have taken their test and will receive their results by text and/or email around 30 minutes later. **Please note we will only be contacting parents directly in the case of a positive result.**
