

30 April 2021

Dear Parent or Carer,

I hope that this letter finds you well.

As you are aware, all Year 11 students are currently involved in the completion of assessments across all curriculum areas – this will be the case up until **Friday 29th May**. This evidence will contribute directly to the CAGs (Centre Assessed Grades) that are submitted for your son/daughter, therefore, it is essential to reiterate to you their importance.

It is imperative that your son/daughter attends all lessons to ensure that they give themselves the best possible opportunity of achieving success in these assessments. All departments are going through a rigorous process of revision prior to the completion of any assessments. This is to ensure that all students are fully prepared for this process. Your support here will be invaluable.

All students will need to be available between **Monday 7th and Friday 18th June** as there is the strong possibility that your son/daughter will need to attend school at some point during this period so that sufficient evidence can be compiled to achieve the best grades possible. I would also like to take this opportunity to reassure you that measures will be put into place to support any students who are affected by periods of isolation due to COVID-19.

I will write to you again in the coming weeks regarding the end of year arrangements.

In the event that you wish to discuss any of the above, please do not hesitate to contact me via email dsears@elatschools.co.uk

Mr D Sears

Assistant Principal – Year 11
