

27 May 2021

Dear Parent / Carer,

Thank you for all your support this half-term. Please find below arrangements for the end of this half-term and the beginning of the next.

### **Year 11**

Although their last official day is Friday 28th May, students must be available to come in and finish assessments in the weeks beginning the 7th June and the 14th June. Year 11's last day is always an emotional but lovely opportunity to celebrate their time with us. We all wish them all the very best for the future. There will be a programme of online booster lessons, A-level taster lessons and enrichment activities running until the end of June. Further details will follow.

### **Lateral Flow Testing**

Please continue to encourage your son/daughter to test twice a week and especially on Sunday 6th June, before we come back after half-term. Students have all been issued with enough lateral flow kits to cover this period. Please inform us of a positive test on **07912-379506** if the symptoms appeared within 48 hours of them last being in school. If the symptoms appear after 48 hours of them last being in school, then you should follow the contact tracing instructions provided by the NHS Test and Trace.

### **Next Half-Term**

- Year 7 enter and exit via the main hall. They will get their food at lunchtime in the canteen.
- Year 8 enter and exit via the gates by the girls' gym. They will get their food at lunchtime in the canteen.
- Year 9 enter and exit via the gates by the boys' gym. They will get their food at first break in the hall.
- Year 10 enter and exit via the main gates. They will get their food at first break in the canteen.

I wish you all a happy and healthy half-term.

Yours sincerely,

**MR. W. THOMPSON**  
**Principal**
