

6 May 2021

Dear Parent / Carer,

I hope this finds you and your loved ones well.

Covid-19

Thank you to all of you, who are undertaking a Covid-19 Lateral Flow Test twice a week. While we have seen a pleasing drop in cases, if your son/daughter does test positive, please get them to self-isolate and book a PCR test for them. Please let the school know on 01708 630002 (Monday to Friday, 7.30 a.m. to 4.00 p.m.) and on 07912 379506 (at all other times, including weekends).

Early Finish – Thursday 27th May

As you will be aware for the second year running, there will be no formal examinations for Year 11, but instead schools have been asked to produce robust examinations which will be further scrutinised by exam boards. On Thursday 27th May, we will close at 12.40 p.m. in order for departments to have time for a final moderation before the Year 11 grade submissions. All students will be able to collect lunch, either at first break or before they leave.

Year 9

I am very pleased to be able to report Year 9 will commence their Key Stage 4 curriculum when we return on Monday 7th June. This means all students in the academy will be issued with new timetables to reflect minor knock-on changes on the first day back.

Thank you for your continued support. Take care.

Yours sincerely,

MR. W. THOMPSON
Principal
