Dear Parent / Carer

I hope this letter finds you well.

I am writing to you to make you aware that your son/daughter can now access a variety of resources via the school website for use during the summer break. These resources identify strategies that can be used to help cope with anxiety in young people as well as providing a range of physical activities that students can undertake in their spare time in an effort to keep fit and active. I have also uploaded a number of bridging materials, specifically relating to A' Level subjects, which can help support your son/daughter with the transition to Further Education.

The above can be accessed via the following link: [Year 11 – The Brittons Academy](#)

I hope your son/daughter finds this information useful.

Yours faithfully

Mr. D. Sears
Assistant Principal – Year 11
