19 July 2021

Dear Parent / Carer,

It is with deep regret that, due to an increased number of cases of Covid19 in the local community, we have had to make the decision to cancel Sports' Day. Such an event would inevitably result in a level of movement around the site and social mixing that could contribute to increased transmission. I appreciate, after a difficult year, many students and staff alike were looking forward to this event but our priority must always be the safety of the school community.

All lessons will continue as per the normal timetable Tuesday 20th and Wednesday 21st July in order to minimise movement and mixing. Please ensure your child attends in correct uniform and with full equipment for all lessons (blazers may be left at home as we are expecting hot weather this week).

As it will be extremely hot this week and we are not yet able to have water fountains in operation, please can I take this opportunity to remind students of the importance of bringing sufficient quantities of water to last the full day.

Yours sincerely,

Mrs. C. Whiley
Vice Principal
