First Ofsted monitoring inspection

Dear Parent / Carer,

We are delighted to share news of our first Ofsted monitoring inspection that took place on the 29th and 30th June 2021. Ofsted found “**leaders and managers are taking effective action...**”

Ofsted have recognised we have made “**significant changes to the curriculum offer and how it is delivered**” with particular strengths being “**Mathematics and English.**”

We are immensely proud of our students and would like to thank them all for being their usual brilliant selves. Ofsted noted “**pupils appreciate the support they receive from their teachers**” and “**pupils’ behaviour and attitudes to learning are positive.**” Furthermore, “**pupils appreciate the provision of strong pastoral support**” and “**pupils and teachers speak highly about the changes in the school and their day-to-day experiences.**”

We also want to thank all the parents and carers who shared their positive experiences and feedback with Ofsted. The Brittons Academy has been on a rapid journey of improvement and your support is hugely appreciated. Like all schools, we understand there is still work to be done, and we look forward to Ofsted’s next monitoring visit so we can demonstrate the progress made. Whilst this interim report is positive and endorses our progress to date, school leaders, governors and Trustees know that there is still much work to be done and we will not be taking our foot off the gas in continuing to rapidly improve the academy for our students. The full report is available on both Ofsted’s website and ours.

Yours faithfully,

Mr W Thompson
Principal
