Dear Parent / Carer,

It is important we are clear about the permissions you give consent to.

To update our records, please complete our short form which will take less than 3 minutes to complete. This will provide us with information including whether we can provide your child with paracetamol, if their image can be used, whether they can be sent home in an emergency and if they are allowed to attend a school trip during academy hours.

Please click the following link to complete the form:

Academy Parent/Carer Consent Form

We would be grateful if the form is completed ASAP so we can collate the information for all students within the academy. Thank you for providing this information.

Yours faithfully,

Ms N Wickenden
Assistant Principal
