In the event that departments require your son/daughter to attend the scheduled intervention, you will receive a letter to inform you of the purpose of the intervention as well as the specific arrangements. If your son/daughter would like the opportunity to attend, please encourage them to speak with their relevant subject teacher so that this can be arranged.

The following revision sessions will also run during the first week of the Easter break - Monday 4th April until Friday 8th April; please note that some of these will be virtual and therefore accessible via Teams; again, students will be invited to these sessions by the relevant departments. Please note that when students arrive on site during the Easter break, there will be essential site works being completed in the foyer, therefore, students will enter and exit through the Year 11 gate and side entrance to the building.

The intervention opportunities mentioned above will be invaluable to your son/daughter in terms of their final preparations for the summer exams, which will begin on Monday 16th May; this is a matter of 7 weeks away. I would be very grateful for continued support in ensuring their attendance as and where required. We, as a school, have delivered a range of intervention strategies to support Year 11 this academic year which have proven to be a success - these include the Winter Walkthrough, Subject surgeries and Form Time intervention. I am sure that the intervention strategies mentioned above will be just as successful.

Should you have any further questions regarding the above, please do not hesitate to contact me via email dsears@elatschools.co.uk

Yours faithfully,

D Sears, Assistant Principal
