

15th November 2022

Dear Parent/Carer,

I am delighted to inform you that the Ofsted report from our graded two-day inspection on Wednesday 5th and Thursday 6th October, is available to view on the school website. I would strongly encourage you to read the lovely comments that have been made about your children and the school.

We are so pleased to share with you that the report confirms that Brittons is a 'Good' school and good in all four categories; quality of education, behaviour and attendance, personal development and leadership and management. The judgement reflects the positive changes that have been made since 2019 and is thoroughly deserved thanks to the hard work of our pupils and staff and the ongoing support of all of our families.

All the surveys (students, parents, carers and school staff) were overwhelmingly positive and I would like to thank you for completing them and sharing your positive views with inspectors. 95% of you stated that you strongly agree that your child is happy at school and 99% of staff were proud to work at the school.

The students were brilliant, as always. The inspectors commented to me how polite, how well behaved, and how open and honest they were. I am so pleased that they now attend a school officially recognised as good.

Lastly, I would like to thank you for your faith in the school. You have sent your child to a school, which was labelled inadequate, and that requires tremendous courage and strength. I am so pleased that your belief in us has been rewarded.

Best wishes,

*W Thompson.*
