Dear Parent/Carer,

On Monday 21st November, we have decided to stream the first England World Cup game live into classrooms. The timings of the school day will change slightly to accommodate this and students will have an early lunch at 12.30 to 1.00 p.m. Students will be in their normal lesson periods 4 and 5 and the football will be streamed live into lessons, while work will be set for those who do not want to watch the game.

This is a great way for us to reward the children and celebrate our recent Ofsted success and for us to experience the first England game as a school community.

We will be carrying out work with the students covering the human rights issues in Qatar. This is part of the work covered through the SMSC bulletin and PSHE curriculum, and focuses on current world affairs.

Best wishes,

*W Thompson.*
